OUR MONEY SAVING PRICE LIST

We are sending you this price list so we can keep our prices within the reach of everybody, passing the saving in Catalog to you in lower prices.

Most of our stock recovered from the last year's floods so we can again furnish some of our special items.

We are pricing our smaller stock again this year postpaid and we believe our customers like this plan best.

In case part of your order has to come by express, we will send it all together and send you some extra stock for the postage you paid for postpaid item.

Parcel post rates have raised so we had to raise our prices to take care of extra postage.

WE INVITE YOU

To come to pick up your own nursery stock if you live within driving distance of Fairbury. You can see what you are getting. We have a number of other items not offered in this list. We have a nice stock of Juniper Evergreens for foundation planting in all sizes.

If you come for Evergreens, come when the ground is not frozen or very muddy. Evergreens are dug as they are sold.

We carry in stock garden plants and seeds for our home customers. Store hours: 8 to 12 a.m.; 1 to 5 p.m., week days.

Office two blocks north of post office and four and one-half block west.

SPECIAL OFFER

We can send by parcel post, perennials, plants, roots, trees and shrubs under four feet high. Do not order larger by mail.

We will pay express charges on orders of \$20.00 to Kansas, Nebraska or Missouri. We will pay the express charges on orders of \$25 or more to other states. Get your neighbors to order with you and get your stock by express prepaid. It will travel better.
